ARBORS

HOMETOWN VINYL SYSTEMS

Our picket fence is manufactured with routed rails to eliminate dislodged pickets.

Sagging bottom rails will lead to blown out pickets! The structural integrity of our 2" x 7" privacy rail is unmatched!

Don't be fooled by INFERIOR PRODUCTS!

There are many low end products being offered by big box stores and "fly by night" fence companies. An investment like a vinyl fence system should not be taken lightly. A warranty is only as good as the company offering it. We will stand behind our products as we have been doing since 1923!

All fences are not created equal!

The full Hometown Vinyl warranty is viewable on our website at www.hometownvinyl.com

WARRANTY

Backed by the most comprehensive warranties in the business, our vinyl fence is sure to stand the test of time. Our White, Almond and Khaki, fence materials are covered by a 50 year prorated warranty, that is also transferable to a second homeowner. See your local dealer for a copy of either warranty form.

COLOR CHARTS

It's your choice. Any one of our 3 colors are made to stand the test of time, and give your property that distinctive look for years to come. Check with your local dealer for availability and current lead times. (colors are approximate)
